

Joint Health Soft Chews

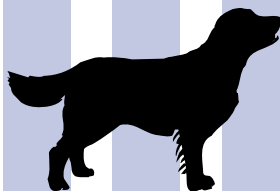

(Glucosamine HCl, Creatine & MSM)

- ▶ **Musculoskeletal supplement containing glucosamine hydrochloride, creatine monohydrate and methylsulfonylmethane (MSM) for use in dogs.**
 - Dietary supplement delivers the essential nutrients known to be **beneficial to maintain healthy joints and muscles.**
 - Will help replenish joint fluids and optimize muscle strength, support, performance and endurance.
 - Provides the dog with more support than supplements focused only on the joint capsule. Broader benefits deliver more value.
- ▶ **Soft Chew dosage form** is ideal for daily dosing.
 - **Convenient for the dog owner to administer.**
 - Dosed as a **daily "treat"** will strengthen the human-animal bond.
 - **Ensures consumption of the entire dose generating better clinical results.**
 - Can be used to "hide" other solid dosage forms, saving the dog owner time and money.
- ▶ **Specially formulated to deliver the highest levels of these essential nutrients.** Each Soft Chew delivers:
 - Glucosamine hydrochloride – 900 mg
 - Creatine monohydrate – 750 mg
 - MSM – 50 mg
- ▶ Formulated with a proprietary, **highly palatable artificial roast beef and liver flavor** to guarantee dogs will readily consume the supplement.
 - **Improved daily dosing compliance** generates better clinical results.
 - Increases client satisfaction and the relationship with their pet.
 - Flavoring is actually a hydrolyzed soy protein, so safe to use with food allergic dogs.

- ▶ Simple dosage schedule:

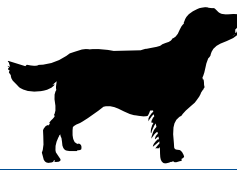

Weight of Dog	Initial Dosage (4 weeks)	Maintenance Dosage
Up to 60 pounds	1 – 1½ Soft Chews/day	½ – 1 Soft Chew/day
60 – 100 pounds	2 Soft Chews/day	1 – 1½ Soft Chews/day
Over 100 pounds	2½ Soft Chews/day	1½ – 2 Soft Chews/day

- ▶ **100% Palatability Acceptance.**
 - Pala-Tech guarantees dogs will readily consume this supplement. If your client's dog does not like the taste of this product, simply contact your authorized Pala-Tech Veterinary Distributor for replacement product.
- ▶ Professionally packaged in an **easy-to-open, user-friendly container.**
 - Contains 120 Soft Chews/container.
 - Provides a 4-month supply for a 60-100 lb. dog at the maintenance dose.
- ▶ Alternative dosage forms ...Pala-Tech™ Canine Joint Health **Chewable Tablets** and Pala-Tech™ Canine Joint Health **Granules**...also available.

Made in the U.S.A.
