

## Joint Health Granules

(Glucosamine HCl, Creatine & MSM)

- ▶ A **comprehensive musculoskeletal supplement** containing glucosamine hydrochloride, creatine monohydrate and methylsulfonylmethane (MSM) for use in dogs.
  - Unique combination of essential nutrients known to be **beneficial for maintaining healthy joints and muscles**.
  - Will help replenish joint fluids and optimize muscle support, performance, strength and endurance.
  - Provides the dog with more support than supplements with ingredients focused only on the joint capsule. Broader benefits deliver more value.
- ▶ **Granule dosage** form easily sprinkled on or mixed with food.
  - **Convenient dosage form to ensure client compliance for daily dosing, generating better clinical results.**
  - Simple to adjust dosage when necessary; maximum flexibility.
  - Easier to administer daily than conventional tablets or capsules.
- ▶ **Specifically formulated to deliver the highest levels of these essential nutrients.**
  - Each 6 gram scoop delivers:
    - Glucosamine hydrochloride - 900 mg
    - Creatine monohydrate - 750 mg
    - MSM - 50 mg
- ▶ Formulated with a proprietary, **highly palatable artificial roast beef and liver flavor** to ensure dogs readily consume the supplement.
  - **Ensures complete consumption of the daily dose for better clinical results with no waste.**
  - Improved client satisfaction.
  - Flavoring is actually a *hydrolyzed* soy protein, so safe to use with food allergic dogs.

▶ **Simple dosage schedule:**

Weight of Dog	Initial Dosage (4 weeks)	Maintenance Dosage
(6 gram scoop)		
Up to 60 pounds	1 – 1½ scoops/day	½ – 1 scoop/day
60 - 100 pounds	2 scoops/day	1 – 1½ scoops/day
Over 100 pounds	2½ scoops/day	1½ – 2 scoops/day

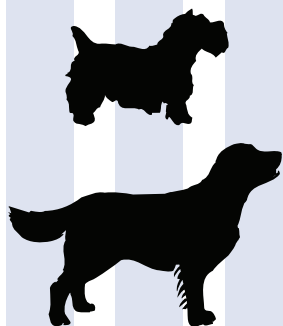

▶ **100% Palatability Acceptance.**

- Pala-Tech guarantees dogs will readily consume this supplement. If your client's dog does not like the taste of this product, simply contact your authorized Pala-Tech Veterinary Distributor for replacement product.

▶ Professionally packaged in an **easy-to-open, user-friendly 720 gram container** (includes 6 gram precision dosing scoop).

- Contains 120 doses/container.
- Provides an affordable 4-month supply for a 60-100 lb. dog at the maintenance dose.

▶ Alternative dosage form...Pala-Tech™ Canine Joint Health **Soft Chews**...also available.

Made in the U.S.A.

## CANINE

# Joint Health Granules

(Glucosamine HCl, Creatine & MSM)

- Comprehensive musculoskeletal joint health supplement.
- Palatable, easy to administer tasty granules.
- Affordable and convenient joint health support.

Pala-Tech™ Canine Joint Health Granules is a dietary supplement containing a unique combination of essential nutrients known to be beneficial to healthy joints and muscles. This combination of nutrients will help replenish joint fluids and optimize muscle performance, strength and endurance.

**Recommended Use:** The following dosage schedule is recommended for the daily administration of Pala-Tech Canine Joint Health Granules. Consult with your veterinarian to determine the proper dosage level and schedule for each individual animal.

Weight of Dog	Initial Dosage (4 weeks)	Maintenance Dosage
Scoop Size = 6 grams		
Up to 60 pounds	1 - 1½ scoops/day	½ - 1 scoop/day
60-100 pounds	2 scoops/day	1 - 1½ scoops/day
Over 100 pounds	2½ scoops/day	1½ - 2 scoops/day

**Administration:** A 6-gram precision dosing scoop is enclosed in the container. Measure out the prescribed daily dose and administer over the dog's food. Product may be mixed with food to facilitate complete consumption. Pala-Tech Canine Joint Health Granules is formulated with a proprietary, highly palatable roast beef and liver flavor base to ensure dogs readily consume the supplement.
